

TORAH JOURNEYS

THE INNER PATH TO THE PROMISED LAND

RABBI SHEFA GOLD

“Reb Shefa takes you into the House of Study of the heart and the soul and in this way engages the sacred creativity of the spirit. Reading her Torah teachings one becomes attuned to the voice of the Shekhinah, the feminine aspect of God which brings needed healing to our wounded world.”

Reb Zalman Schachter-Shalomi
co-author of *Jewish With Feeling*

“Even old places and familiar texts we thought we knew come alive again in this book of substance and deep spiritual refreshment. Here experience takes precedence over tired and literal dogmatic pronouncements and life comes alive again.”

Theologian Matthew Fox
author of *A New Reformation: Creation Spirituality and the Transformation of Christianity*

“A remarkable book of profound depth. It has taught me much, drawing as the author does from the wells of different faith traditions in her life. Rabbi Shefa Gold is adept at teaching us how to grow spiritually using the Torah as the inexhaustible source. Please read this book if you too want to grow.”

Archbishop Emeritus Desmond Tutu

“If you dare be addressed by God — read it. If you dare be transformed by God — practice it.”

Rabbi Rami Shapiro
Author of *The Divine Feminine*

“Rabbi Gold opens each Torah portion in profound, new ways, pointing the way for us to find the Torah’s most usable blessings, spiritual challenges, and sustainable practices for our own journeys. In Torah Journeys, Torah becomes a mirror for our lives and a tool for personal transformation.”

Rabbi Tirzah Firestone
author of *The Receiving: Reclaiming Jewish Women’s Wisdom and With Roots in Heaven: One Woman’s Passionate Journey Into The Heart of Her Faith*
